NOTICE OF PARKING RATE INCREASE

Dear Valued Patron,

As part of the City of Roanoke's budget development process for FY2017-2018, the parking fees and rates which are charged in the PARK Roanoke system were evaluated and approved by Roanoke City Council on May 15, 2017. Our non-taxpayer financed parking system uses all revenues generated by user fees to operate and maintain the parking system and to address all capital needs and expansions for the public's use.
