

PARK Roanoke has upgraded 3 garages to 24/7 operation

Upgrades to the Parking Access Revenue Control Systems in Campbell, Church Avenue, and Gainsboro Garages have now been completed.

Here's some important things to know for these garages:

- Monthly parkers will be able to use the same access card; a new card will not be needed.
- These garages are now operational 24/7; there will be no special event rates or after 4 p.m. rates; and, no times where the gates will be in the "up" position. The regular rates will be in effect 24/7.
- Daily or hourly parkers are encouraged to use the Pay-on-Foot Stations conveniently located in each garage at entry and exit points. Daily or hourly parkers will enter the garages, obtain a ticket, and prior to departure, pay for the time parked. Each parker will have 15 minutes after paying at the pay-station to exit the garage.
- There will be a Help System at each pay-station with an intercom that will connect the parker to a 24/7 command center to answer questions should any technical help be needed.

We are very excited to have brought this modern technology forward for our valued customers.

The 2019 Hurricane season is upon us, but Hurricane or not, it's always a good idea to have an Emergency Supply Kit that encompasses items for babies, children, adults elder adults, and pets.

FEMA recommends these items for a basic supply kit:

- Water, one gallon of water per person per day for at least 3 days for drinking and sanitation
- Food, at least a 3 day supply of non-perishable food
- Battery powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries for both
- Flashlight and extra batteries
- First Aid Kit
- Whistle to signal for help
- Dust mask, to filter contaminated air
- Plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags, and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Manual can opener
- Local Maps

FEMA also recommends these items:

- Prescription medication and glasses
- Infant formula and diapers
- Pet food and extra water for your pet
- Important family documents such as identification, bank account numbers, insurance policy numbers and contact information
- Cash or traveler's checks and change
- Sleeping bag or warm blanket per person
- Change of clothing for each person based on the season
- Fire extinguisher
- Matches in a waterproof container
- Feminine items and personal hygiene items
- Mess kits, plastic utensils, paper plates, cups, etc...
- Paper & Pencil
- Plain chlorine bleach which can be used to disinfect water (16 drops per gallon of water)
