PARK ROANOKE NOW OFFERS PARKING SIGN-UP ONLINE

PARK Roanoke is pleased to announce that parkers may select their desired parking location for long term parking and either sign-up online or be automatically added to a waiting list. This feature had been under development for several months and was recently released in February. Parkers select their desired location from a map and then key in their information. But a word of caution, it depends upon availability as several lots or garages are at capacity. Here's how:

Then click on: PARK Roanoke's On-line Parking Request Feature

This opens a page titled Map & Locations with a two page listing of our parking locations. When hovering your mouse on the Alphabetically listed locations, more information will appear. Then click on **Apply Here** directly under the PARK Roanoke logo.

Next complete the required information:

PARK Roanoke is a proud sponsor of the WAZUPWIDIS race

In early February 2015 approximately 400 runners challenged themselves with the 3rd annual Urban Run and Stair Challenge brought to Roanoke by the Mountain Junkies. The race was for 3.25 miles and 1,040 steps. About one half of the steps were up including a run to the top of the staircase at the Wachovia Tower and the other half of the steps were down. The race featured the Church Avenue Garage, Campbell Garage, Gainsboro Garage, and the Tower Garage. Did you ever think Heaven was in a parking garage?

The last leg of the race was to reach "Heaven"—or the top floor of the Tower Garage as it was aptly named. After such a grueling challenge, runners were relieved to reach the rooftop. This year, several new course records were set. Mountain Junkies have sponsored over 60 such events mostly focusing on trail runs and mountain biking. PARK Roanoke is proud to showcase their parking facilities that makes this race possible.
